Subject:	Powertech UIC permits

Hello,

I'm writing to oppose the Underground Injection Control permits to Powertech as well as the aquifer exemption.

I'm relatively new to this concept and am no environmental scientist - but is injecting uranium recovery waste near a source of drinking water common practice? Seems like a really bad idea. And the request for exemption from the Safe Drinking Water Act suggests that Powertech thinks it may not work out so well, too.

Please don't approve this.
